Discount Price (inc. VAT)	£11.49
Code	VILL335

An organic brut sparkling wine produced in the DOC region by this renowned producer using 100% Glera grape.

Tasting Notes:

A sparkling organic brut wine produced in the DOC region. The vineyards are located within the Prosecco DOC area, cultivated in medium to alluvials soils, under organic viticulture. The wine is very pale straw yellow in colour with fine and persistent perlage. The aroma is fruity and flowery with hints of ripe golden apple and small mountain flowers. The dry, soft and flavoursome sensation on the palate is followed by a fruity and harmonious aftertaste.

Specification	
Vinification	The vineyards are located within the Prosecco DOC area. The whole grapes are put into the pneumatic press for soft pressing and the resulting must, after a first racking, is put into temperature controlled tanks where it remains until it is used for the production of the sparkling wine. Secondary fermentation: Added with yeast cultures selected by Villa Sandi, the must is then put into vessels where fermentation takes place at a controlled temperature of 15-16˚C to enhance all the harvest fragrances. Upon reaching the required alcohol and sugar content, fermentation is stopped by refrigeration. After a short settling period, the sparkling wine is ready for bottling. The refermentation is carried out in such a way as to preserve all the aromatic heritage and develop floral and fruity aromas, typical of the variety and the territory.
