Akashi-Tai Shiruame Umeshu Sake

Price £23.49
Code UMES001

This plum-infused sake uses ginjo grade sake to gently extract the fruit essence. After being marinated for 6 months the fruits are removed from the tank then Shiraume Umeshu is left to age for a further two years. Delicious served over ice, with soda or hot water as an aperitif or digestif.

Tasting Notes:

The mild flavour of brewed sake nurtured to perfection blends harmoniously with the fruity flavour of ume plums. No sharp tang of alcohol mars the finish to the palate.
