This appellation is situated to the north west of Faugères where the soils are high in limestone and schist content. The vines are planted at an altitude of 500m, the cooler climes allowing a long and slow 'hang time' for the grapes. Produced with high Mourvèdre content (50%) with the remainder of the blend consisting of 25% Syrah and 25% Grenache, aged in old oak for 12 months.

### Tasting Notes:

A gorgeous hibiscus and cinnamon perfume with a sumptuously ripe fruit bouquet. This is good! Vibrant fruit and spice that bowls you over with a detonation of flavour and uncoiling acidity. Orange peel and raspberry popsicles and red cherries layered over a raft of rugged but polished, dry tannins.

| Producer Overview | Aubert & Mathieu is a small winery in the south of France. The wines produced are the result of a collaboration by two friends who met in school, chose different paths, but met up again and decided to further their respective passion for wine production. Their aim was to be innovative and bring fresh ideas to the wine world using grapes produced in their home region. The result was easy to enjoy wines, with their own unique style which are expressive, intriguing and atypical. |
