Created by Chris and Rose Bax using their extensive knowledge of plant tastes and aromas: Verbena is both uplifting and relaxing. The green coloured top reflects the summer botanicals in the recipe and the delicious fresh taste of the drink.

Tasting Notes:

A distinctive and multi-layered flavour profile. The layers of flavour give a refreshing vibrant feeling and the depth and long finish on the palate confirms a quality product. Flavour wise aromatic Lemon Verbena and bright herbs with menthol and anise combine to give the drink its name Verbena.
