Bollinger Champagne Special Cuvée is Bollinger Champagne's flagship non-vintage Champagne, known for its complexity, elegance, and balanced structure. Family-owned and a fairly small house in terms of production, Bollinger is renowned for being one of the top Grand Marque (big brand) Champagne houses, with Bollinger Special Cuvée considered to be one of the best NV Champagnes around – a favourite for many! The combination of a high percentage of Pinot Noir and a high percentage of reserve wines in the blend, as well as the fact that it is made primarily from grapes that are from 1er Cru and Grand Cru sites, gives Bollinger Champagne Special Cuvée NV its unmistakable style. This powerful, rich and ripe Bollinger Champagne is simply beautiful!

Tasting Notes:

A golden colour with very fine bubbles, Bollinger Champagne Special Cuvée is full of rich, toasty brioche aromas with notes of roasted apple and peaches. On the palate, flavours of brioche and hazelnut linger on the long finish. Rich and complex, this is a stylish Pinot-Noir-dominated Champagne with a delightfully creamy texture, bubbles like velvet and so much elegance and depth in the glass.
