Specification	
Vinification	100% Pinot Noir, sourced from the better vineyards spread throughout the warm Chalonnaise appellation. A proportion comes from around Givry, Rully and Mercurey. Machine harvested in the main, with around 20% hand picked. The grapes are fully destemmed and fermentation takes place in stainless steel tanks with a small proportion (3%) aged in oak barrels. The wine lies on its fine lees for several weeks following ferment, before the wine is racked from tank and married with the oak aged element.

Strict viticultural guidelines are followed with a programme of continual vineyard assessments. It is very rare that one can equate Burgundy with affordability as well as quality; however this top Cave Co-operative can certainly lay this claim.
