Theo Merlin is now chief winemaker at this top family estate, and the wines continue to be made organically with little intervention. Decent yields in 2022 averaging 45-50 hl/ha were the reward for waiting to pick, with the first grapes harvested on the 1st September. They were lucky, the day after they finished picking a large hail storm wiped out many peoples last few days of cropping.

Tasting Notes:

Lively, vibrant and forward with a bright colour and red fruit fragrancy. This is a wine that has bags of sweet red fruits, a rounded and gentle style, yet body and texture to allow it to age for up to 7 years
