Flavoured with 10 botanicals, Brockmans is an intensely smooth and fruity gin. Well balanced and full of flavour. A gin that's equally at home with tonic or ginger ale, as well as just on its own over ice.

Tasting Notes:

Brockmans unique infusion of exquisite botanicals creates a seductively smooth and well balanced gin. There is a soft, warming taste that hails from the addition of blackberries and blueberries. This is a distinctively original taste like no other!
