Bruichladdich Black Art 07.1 25 Year Old Islay Single Malt Whisky

Price	£295.00
Code	BRUI085

This edition of Black Art, 07.1, is symbolic of a moment in time that should not be forgotten. Signifying the end of an era, 1994 was the year Bruichladdich was closed for what could have been the last time.

Tasting Notes:

Unbelievable complexity on the nose, the aromas lift from the glass in an almost orderly procession. First a rich marzipan, then walnut, crème caramel, turkish delight, hints of strawberry, violet, and coconut. A little sharpness on the palate is a nod to the strength but quickly the satin texture covers the palate to give a viscous, round mouthfeel. The oak gives a hint of dryness but also waves of coconut, Turkish delight, soft caramel, and spiced orange. While on the palate there appears less complexity than on the nose, an important balance, texture, and defined style serves to highlight the aromatic aspect of this whisky. It seems the finish will go on forever.
