Bruichladdich Octomore 13.3 Islay Single Malt Whisky

Price	£185.00
Code	BRUI120

An Islay whisky through and through, the provenance of this Octomore expression is unrivalled. The complex flavour of the soil that raised the barley and the classic peat smoke define this whisky's character, speaking of the place it is from.

Tasting Notes:

A soft and delicate on the palate, sweet honey and brown sugar give way to a whisper of peat smoke. The second sip brings lemon rind and seashells, a delicate marine hint along with malty biscuit notes and marzipan and coconut. The peat smoke has hints of boot polish and ash but is gentle enough to allow the subtle floral malty notes to shine.
