Campo Nuevo Viura

Price	£8.99
Code	CAMP075

Navarra is the home of appealing and generous wines that offer great value and this cracking dry white, made from Rioja's best known white grape, is no exception. It is fresh, crisp, with notes of summer floral fruit, apple and citrus lime and shows a surprising degree of complexity and polish.

Tasting Notes:

Aromas of green apple, pear and citrus that lead to a dry, fresh and light palate. Floral, easy drinking and yet with enough 'tang' to make it an ideal quaffer or a more serious alternative to neutral Pinot Grigio.

Specification	
Vinification	Viura is grown widely in Navarra as it suits the warm open aspect vineyards and higher altitude, with the grapes' natural acidity and minerality preserved by efficient machine picking, a blend of de-stemmed and whole bunch pressing before the clear juice is pumped into large steel tanks tanks and cold settled for a number of days. The juice is then fermented using natural yeasts for around 20 days at a cool 14 deg, before ageing on the lees in tank for a short time, then filtered and bottled.
