Produced from 10 different parcels from vines of between 25-30 years old, this is a very classic style of Chablis. The 11 hectares of vines are spread around the village of Prehy and centered on the sub region of Courgis, where the chalk soil gives the wines an intense minerality.

Pale straw in colour, the nose is crisp and citrusy with a wet stone minerality and subtle white flowers. The palate is taut and focused with lemon zest, green apples and salty undertones with a lively acidity and steely finish.
