Overlooking both Cheval Blanc and Pétrus, this is a beautifully located, family owned château that produces outstanding, affordable claret. This wine is a wonderful representation of the terroir and character of Montagne-Saint Emilion. What great value!

Tasting Notes:

A highly successful Château Corbin that captures the charm and accessibility of the vintage whilst retaining classical Saint-Émilion character. A beautifully expressive bouquet, pure blackcurrant and dark cherry fruit with an aromatic freshness. The palate is layered with cassis and plum, subtle hints of liquorice and boasts a real clarity and precision. There is an impressive sense of energy throughout, balancing the generosity of the fruit with a poised, mineral freshness that gives the wine real definition. The tannic structure is ripe, ample and firm, yet seamlessly integrated into the wine's fleshy, supple texture. There is depth and concentration without excess weight, and the finish carries excellent persistence with a polished, confident grip.
