The château was acquired by the Parent family in 2002, marking the beginning of a major period of investment and transformation. Since then, the vineyards have undergone extensive replanting and restructuring to improve vine selection and site expression. The cellar has been renovated and modernised, with upgrades to equipment and vinification facilities. Winemaking practices have also been refined to better express the estate's terroir and enhance overall wine quality.

### Tasting Notes:

Richly succulent and very moreish, the semi rigid tannins are polished and hold the sweet, dense and smoky black cherry, raspberry and pomegranate fruit structure perfectly. This is a weighty, glossy and refined wine, with 85% Merlot adding more than a hint of mocha and chocolate to the long finish. The oak adds texture and sweetness, the finish is rich and long.
