HOUSE OF TOWNEND

Château Musar Jeune Red

Price	£18.99
Code	MUSA050

An intensely fruity unoaked blend that has been compared with a fine Roussillon red. Sourced from younger vines to create its fruit-forward style.

Tasting Notes:

Deep beetroot in colour. On the nose intense red fruit of strawberry, raspberry and red cherries. On the palate black fruit also comes through; blackcurrant and black cherries with a warm hit of black pepper that balances the fruit, as well as earthy notes. Silky texture and long finish.
