Tasting Notes:

The 2025 Château Pape Clément Blanc offers lifted aromas of lemon zest, white flowers and ripe orchard fruit, with subtle hints of toasted almond and wet stone. The palate is textured and focused, balancing richness with bright freshness and a precise mineral edge. Pure, elegant and persistent, it finishes with vibrancy and finesse.

Specification	
Vinification	The grapes are whole-bunch pressed in modern Vaslin presses after cold maceration, then gravity-fed into a mix of oak vats, concrete eggs, steel tanks and barrels for fermentation. The wine spends time on fine lees for added texture and is aged for 12 months in a combination of 20% oak barrels, of which one third is new, along with foudres, concrete eggs and stainless steel.
