Price	£22.99
Code	PUY075

---

This super little St Emilion is located at the foot of the famous 'Pavie' hillside, in the southern part of Saint-Emilion. Château Puy-Razac commands a 6 hectare single-plot vineyard planted with Merlot (55%) for its delicate and subtle richness and Cabernet Franc (45%) that brings its explosive fruit and the necessary tannic backbone for wines with a great ability to age.

---

**Tasting Notes:**

A beautiful and well structured wine. Dark red garnet in colour, with lovely aromas of rich red fruit. A well balanced and complex wine bursting with red fruit flavours and soft tannins. Powerful, tasty and elegant, with a long and balanced finish.
