Cherry Heering Liqueur

Price	£30.49
Code	HEER001

The pinicle of cherry brandies, made to a recipe dating from 1818 and matured for 3 years before bottling.

Tasting Notes:

Intense, pungent aromas of sour cherries and coriander, with hints of marzipan. The palate has a syrup like texture, best described as liquid Cherry Bakewell. The spicy notes from the nose are noticeably absent initially. Intense cherry flavours slowly dissolve leaving a subtly spicy finish, reminiscent of cloves.
