FAMILY WINE MERCHANTS SINCE 1906

Clos de la Roche Grand Cru 2023, Domaine Lécheneaut 6x75cl

Price	£996.00
Code	CLOS365

The Clos de la Roche is highly chalky with barely 30 cm of topsoil, a few pebbles and some large blocks of stone from which it derives its name. The vineyards, located in “Monts Luisants”, are planted directly in the marls of Ostrea with a limestone outcrop from Premeaux in the upper layers that nourish the limestone and marly soil. Limestone fossils can more often be found on the lower part of Clos de la Roche. Produced from a parcel of 0.2ha planted with 60 year old vines this is a colossal wine.

Tasting Notes:

Showing aromas of pepper, cinnamon, and cloves that are weaved into the intense black fruits. Big in structure but with oodles of finesse.
