HOUSE OF TOWNEND

Cloudy Bay Pinot Noir

Price	£42.50
Code	CLOU235

Cropped at very low levels from some of the finest vineyard sites in Marlborough, Cloudy Bay Pinot Noir is opulent and aromatic with a silky palate that reveals layers of dark red fruits, savoury dried herbs, and delicious toasty oak.

Tasting Notes:

An inviting, smokey nose of plum and black cherries with overtones of baking spices and leather. A soft palate entry supplemented by chalky tannins builds structure towards an intense, brooding finish.
