Daftmill Winter 2011 Release Single Malt Whisky

Price	£110.00
Code	DAFT035

The Daftmill 2011 Winter Release is a 12-year-old Lowland single malt Scotch whisky distilled in December 2011and bottled in 2024 from a vatting of 27 first-fill ex-bourbon barrels, yielding 7,500 bottles worldwide.

Tasting Notes:

• Aromas of lemon zest, light floral notes, ripe banana, cereal malts, vanilla, green orchard fruits, and toasted almonds. The palate is rich and full-bodied with a thick, coating mouthfeel, hints of pepper, banana candy, marzipan, traditional Scottish tablet, and fresh grass. A finish lingering on gentle sweet, floral, and herbal impressions.
