<b>Price</b>	£30.00
<b>Code</b>	REYN001

A stunning Biodynamic Sauvignon Blanc from Stellenbosch producers Reyneke, which is Loire like in its depth and complexity. The grapes come from a single vineyard on the Reyneke Uitzicht Farm.

### Tasting Notes:

The nose presents a layered complexity and a freshness of white stone fruit, pear and lime peel, opening up to subtle floral notes. The wine has a textured minerality on the palate, together with a firm acidity and well integrated oak. A very elegant and balanced wine, with potential to drink from now until 2020.
