HOUSE OF TOWNEND

Domain Road Pinot Noir

Price	£24.99
Code	PINO025

A sheltered valley in one of New Zealand's best wine-growing regions is where Domain Road Vineyard calls home. Bannockburn, in Central Otago, enjoys hot summers and cool dry autumns – ideal for producing premium wines.

Tasting Notes:

Aged in French oak barriques (27% new) for approximately 10 months with fining by egg whites. A vibrant purple hue, the bouquet offers fragrant aromas of red cherry, dark plum, blackberry, violets, leather and spice. The palate is rich and concentrated with dark red fruits and hints of tobacco and coffee. A complex, concentrated wine with ample velvety tannins, a lovely mineral acidity and a very long finish.
