## Doppler Winery Traminec

---

<b>Price</b>	£33.49
<b>Code</b>	DOPP001

A great example of a 'macerated' Traminec, short skin contact to give a slightly cloudy golden colour sitting nicely between a white and orange wine. The bouquet is expressive, elegant and powerful with good minerality. This wine will benefit from airing in a decanter or whatever you have handy – try not to drink too cold at around 10-12 ° C.

---

### Tasting Notes:

Deep gold/yellow in colour with some haziness to it. A very floral bouquet of rose and white flowers. A tart 'balsamic like' quality balanced with honey and vanilla. This wine is dry with good acidity, medium bodied but with deep powerful flavour.

Producer Overview	<p>The Doppler Winery is onto its 3rd generation and is situated in the 'up-and-coming' Styria wine-growing region in the north eastern end of Slovenia, 360 metres above sea level. They are a leading producer in the new and exciting scene full of orange wine, pét-nat and other low intervention styles. Their journey began in 1815 with Admont Benedictine's first vine planting. Ivan Doppler acquired their estate in 1938, who himself came from a winegrowing family. His acquisition represented a life-long dream as well as a means of livelihood. After 89 successful harvests he passed his knowledge and passion onto his daughter Veronika Krsnik, who took over in 2002. Now her daughter Mihaela is in charge of operations. <b>Read more online</b></p>
