Drambuie Whisky Liqueur

Price	£33.49
Code	DRAM001

A whisky liqueur from Drambuie, with the name celebrating the legend of its creation during the Jacobite uprising of the 1740s. A blend of 21 year old whiskies that was matured for a further 24 years in a mix of sherry and bourbon oak, for a total of 45 years, before mixing with Drambuie's secret recipe of herbs and spices.

Tasting Notes:

The taste of Drambuie is the result of infusing a unique blend of aged Scotch whisky with a secret combination of spices, heather honey & herbs. The elixir was infused with spices such as cloves for their medicinal purposes, and saffron to give the liquid its rich golden colour. A unique Highland spirit - it is most certainly royal in appearance, exquisite in taste and deliciously potent.
