HOUSE OF TOWNEND

Felton Road Pinot Noir Block 3 2024

Price	£76.00
Code	FELT685

From a gentle north-facing slope in the heart of The Elms, Block 3 draws its character from deep silt soils threaded with calcareous seams. This single block wine shows how distinct parcels within one vineyard can express a unique identity, or what the French would call terroir.

Tasting Notes:

Dark cherry and plum lead, with leather and mocha, alongside the signature herb and spice complexity of Block 3. The palate is rich with masses of red and black fruit, concentrated and opulent, framed by ripe, fine-grained tannins. A powerful expression of Block 3 — structured, complete, and built to last.
