Felton Road Pinot Noir Cornish Point 2024

Price	£59.00
Code	FELT670

From Cornish Point vineyard, bordered on three sides by Lake Dunstan, which creates a distinct mesoclimate influencing fruit ripening. The Cornish Point Pinot is a perfect example with its complexity matched with fruit power and what seems like eternal length.

Tasting Notes:

Red cherry, plum, and a touch of dried herbs on the nose, complemented by subtle cardamom and cranberry spice. The palate is smooth and focused, showing balanced ripeness and silky tannins. It has a well-structured core and a long, persistent finish. A clear and classic expression of Cornish Point.
