Price	£23.99
Code	FEVE001

By blending fabulous botanical oils with spring water and the highest quality quinine from the 'fever trees' of the Eastern Congo Fever-Tree have created a delicious natural award winning tonic with a uniquely clean and refreshing taste and aroma. Designed to enhance the very best gins or vodkas.

Tasting Notes:

Pure and crystal clear. Clean and fresh with a citrus and aromatic hint. A very soft flavour. The subtle and supportive citrus and fruit notes are perfectly balanced by the bitterness of natural quinine. The finish is clean with none of the usual cloying mouth feel created by artificial sweeteners which are used in the majority of other tonics. High carbonation delivers the aromas and taste in a classic, refreshing style.
