## Fever-Tree Refreshingly Light Tonic Water 24 x 200ml

**Price** £21.99  
**Code** FEVE005

Fever-Tree's Naturally Light Tonic Water is the world's first all natural lower calorie tonic water. With 58% fewer calories there is no need to compromise on taste as this delicious crisp tonic water combines fruit sugars and natural quinine with citrus aromatic botanicals and soft spring water.

### Tasting Notes:

Pure and crystal clear. Subtle and supportive citrus and fruit notes. Very soft, subtle citrus and fruit notes balanced by the bitterness of natural quinine. Slightly less sweet than Fever-Tree Indian Tonic Water, the finish is clean with none of the usual cloying aftertastes experienced when drinking artificially sweetened slimline tonics. High carbonation delivers the aromas and taste in a classic refreshing style.
