By blending the gentle bitterness of South American angostura bark with aromatic botanicals such as cardamom, pimento berry and ginger, they've created a delicious, unique tonic water. With less added sugar.

Tasting Notes:

Rosé pink in colour with a sweet aroma with subtle notes of orange bitters. On the palate an aromatic blend of quinine and angostura bark, gentle spices and fresh citrus. A uniquely refreshing tonic with none of the cloying aftertastes you get from artificial sweeteners.
