Offering a light and subtle character the delicate and sweet flavour of elderflower is perfectly balanced by the soft bitterness of the quinine. Providing a summery twist to the classic gin and tonic the refreshing floral flavour works equally well as a sophisticated soft drink. With less added sugar.

Tasting Notes:

Pure and crystal clear. A slightly sweet, floral aroma from the elderflowers, combined with a subtle citrus note. The sweetness of the elderflower is perfectly balanced with the soft bitterness of natural quinine. A uniquely clean and fresh finish with none of the cloying aftertastes you get from artificial sweeteners.
