Franklin and Sons Lemonade 24 x 200ml

Price	£28.99
Code	FRAN105

An original, clear lemonade made with sparkling Staffordshire spring water and South American lemon juice, which creates a vibrant citrus mixer.

Tasting Notes:

As opposed to a cloudy lemonade which is slightly tart, this original clear lemonade delivers slightly more on the sweetness. This ensures that once mixed with any premium vodka, it balances beautifully with the citrus essences.
