Nestled 35 meters above the Orbieu River, this 4-hectare vineyard is situated on a terrace made up of pebbles deposited by the floods during the great glaciations. This is a vibrant red wine bursting with red berries and black cherry, subtle spice and lovely smooth texture.

Tasting Notes:

Bursting with juicy, vibrant red berries and black cherry, this wine is enhanced by delicate hints of black pepper and herbal nuances. Rich and smooth, it showcases ripe tannins, perfectly balanced with a touch of black olive on the palate. Well-structured, it delivers a long, satisfying finish.
