Grillo, Rupe Secca

Price	£10.49
Code	SECC001

Grillo, also known as Riddu and Rossese bianco, is a white Italian wine grape variety which withstands high temperatures and is widely used in Sicilian wine-making. The Grillo, Rupe Secca is a superb example of what can be achieved from this grape, and offers a delicious and interesting alternative to Pinot Grigio or even New World Rhône varietals - with flecks of green apples, guava, mango and a touch of vanilla spice. Weighty, but with lovely complex structure.

Tasting Notes:

Intense bouquet and lovely palate of citrus and tropical fruit flavors and refreshing acidity.

Specification	
Vinification	The grapes are hand-picked, employing various canopy management (vine training) techniques due to the fact that the bunches reach the peak of their maturity in mid-September. Following destemming, the grapes are gently pressed with a pneumatic press. Fermentation takes place at a controlled temperature not exceeding 18°C for approximately 3 weeks. Malolactic fermentation does not take place so that the wine retains all of the grape's natural acidity.
