Havana Club 3 Year Old Rum

Price	£24.49
Code	HAVA001

Havana Club 3 Year Old white rum is made and aged 3 years in Cuba, under its warm & humid climate and surrounded by the care of Cuban maestros. That's how it develops the aromas that compliment perfectly the most famous Cuban cocktail, the mojito, and gives it its unmistakeable and authentic Cuban flavour!

Tasting Notes:

The light straw colour tells you that this rum is more than just a spirit. The 3 years ageing give the rum its Cuban stamp of taste: accents of vanilla, caramelised pears, banana and hints of smoked oak will tickle your nose, while smokey chocolate and vanilla notes will stroke your palate.
