Havana Club Anejo Especial Rum

Price	£24.49
Code	HAVA015

Havana Club Añejo Especial is a Premium golden rum, combining the lightness of white rums and the robust aroma of dark rums.

Tasting Notes:

Havana Club añejo Especial's golden colour announces the rich and round taste of the rum. The woodiness coming through from the barrels as you smell the rum reveals the extra notes of spice, orange & floral brought by the second finish in young oak barrels. It's a delight to taste, as it is round with some creaminess and notes of vanilla and caramel, hint of tobacco, cinnamon & orange peel.
