| **Price** | £190.00 |
| **Code** | HENN015 |

Created by Maurice Hennessy in 1870 for his circle of friends, X.O was born at a turning point in history and introduced a new style of cognac: bold, rich and complex.

**Tasting Notes:**

An intense and deep amber colour. Its flavours of candied fruit and its subtle and lightly spicy nose create a complete harmony. To taste, is it smooth, full and powerful.
