Hildon Still Mineral Water 24 x 330ml

Price	£18.99
Code	HILD015

The distinctive terroir of Hildon Natural Mineral Water comes from deep beneath the chalk hills of the beautiful Hampshire countryside. This chalk environment filters the water to exceptional purity and embodies it with a specific compostion of minerals characteristic of the geological strata it flows through.

Tasting Notes:

Hildon natural water offers a clean and pure taste water giving a well balance water - slightly "sweet" or "spicy" but neutral in after taste.
