### Tasting Notes:

"Aromas of black cherries wrapped in a spice box of nutmeg, clove and allspice jump from the glass. The palate is filled with flavors of black currants and plum that lead seamlessly to silky tannins and black cherry notes. Blackberry, Mission fig and black cherry notes linger on the finish. The combination of elegance and intensity make it a fitting vintage to celebrate 40 years of Jordan Cabernet Sauvignon".

Specification	
<b>Vinification</b>	The vineyards are broken into a myriad of at least 20 separate blocks, each picked and fermented separately. Once harvested, the grapes are optically sorted, cooled and destemmed. Fermentation is in temperature controlled steel tanks, with each vineyard block fermented as an individual wine. After 10 days the wine is transferred into new and used French oak ( 100% ) to finish fermentation. Racking takes place in the Spring, and the wine benefits from 18 months in 100% French oak, with barrels hand-picked.
