FAMILY WINE MERCHANTS SINCE 1906

Julienas "Les Mouilles", Cuvée Les Deux Lions, Domaine Pardon et Fils

Price £14.99
Code JULI010

Juliénas wines grow across the southern and south-eastern slopes of Mont du Bessay, which has a wealth of different terroirs. This hillside is divided into zones of granitic, sedimentary and "rotten rock" soils, which is what makes it possible to store these Beaujolais Cru for several years without any loss of quality.

Tasting Notes:

The Juliénas comes from old vines, which give a deep red colour to the wine. Fresh with powerful flavours of red fruits, redcurrant and raspberry. The palate is rich and fleshy and well balanced.

|--------------------------|---|
| Vinification | Handpicked Gamay grapes picked at full maturity in early September. Grapes transported to the winery. 80% whole bunches used with a percentage of destemmed grapes. The crushing of these grapes by sheer weight initiates intracellular fermentation. Semi-carbonic maceration for 6 days (whole berries) in cement tanks before pressing and the ferment continues normally for 7 days following. Malolactic fermentation done at 100%. Aged in steel tank 3 to 4 months before bottling. |
