Tasting Notes:

An immediate tingle in the nose from the combined rye grains in the bourbons and their age. Followed by a smooth caramel and vanilla pause. Lastly, comes a mild and gentle chocolate vanilla oak. The palate has a spiciness of the combined bourbon grains, along with the tannins in the wood barrel tingle the mouth with flavour. Followed by a soft flow of bourbon vanilla tea and soft wine. A mild finish as the tingle fades, with a soft apple lingering in the throat.
