Kirkjuvagr Beyla – Honey & Raspberry Old Tom Gin

Price	£32.99
Code	KIRK050

In Norse mythology, Beyla was the goddess of bees, At Orkney Distilling, the share her bond with the land, growing all the botanicals here in the islands, where the influence of the Norse gods can still be felt. They've added Orcadian honey and Scottish raspberries to Kirkjuvagr Gin to create this special spirit in homage to the goddess.

Tasting Notes:

Fresh Scottish raspberries bring extra fruitiness and colour to the classic Kirkjuvagr gin recipe, while balancing the sweetness introduced by island honey.
