A powerful, sensual and smoky Pinot from the stony and dry vineyards of Marlborough. This is a wine to command respect and fall in love with, as it shows a pedigree and sensuality and softness that is almost beguiling. High class and with a brooding sense of power and vitality behind the sweet robe of dark fruits - smoky finish - really very good!

Tasting Notes:

Aromas of red berry, cherry spice with slight savoury notes. The palate shows bright cherry and brambly berry with softening tannins giving succulent length and suppleness

| Vinification | The Pinot Noir grapes are picked and cooled overnight in the winery prior to partial de-stemming, before crushing and then the juice moved to temperature controlled tanks for an extended cool ferment on skins. Around 20% of the juice is fermented in used oak, before the finished wine portions are married, racked into a combination of French and American oak casks and aged for around 12 months to give complex smoky/vanilla notes and riper tannins. |
