Specification	
Vinification	Fruit is sourced predominantly from the Wairau Valley, Marlborough's largest and most established sub-region, renowned for producing vibrant expressions of Sauvignon Blanc. The valley's broad river plains feature free-draining alluvial soils of gravel, sand and silt, deposited over time by the Wairau River. The 2025 growing season provided ideal conditions for Sauvignon Blanc, with a warm, dry spring, a cooler January to preserve acidity and aromatics, and late-summer warmth allowing extended hang-time. Harvested mid-March in the cool of the morning, the fruit was clean, balanced, and disease-free. Yields were carefully managed and fermentation took place in stainless steel to maintain freshness and bright varietal character.

Press Comments	Highly Commended Wine Merchant Top 100, 2026: " Green bell pepper, tropical nose; well-rounded texture. Nicely done." Luxury Lifestyle Magazine, The best wines to drink this summer, July 2026: "Unmistakably Marlborough, this Sauvignon Blanc from Lake Road Reserve carries all the zest and zing that that you'd expect. A perfect summer wine, it's vibrant and energetic, balancing intense aromatics with impressive finesse. Fresh, fragrant aromas of passionfruit, green apple, apricot and lemon zest are ably supported by refreshing acidity and a long, mineral finish."
