## Lakes Distillery Gin

---

**Price** £37.49  
**Code** THEO270

Following the philosophy of less is more, The Lakes Distillery's whiskymaker, Dhavall Gandhi, has recreated The Lakes Gin using only a select few botanicals that are also the preferred choice of perfumers and chefs seeking to create the perfect aroma and taste experiences.

---

### Tasting Notes:

A classic English gin with vibrant notes of juniper, cracked black pepper and orange peel. The palate is extremely smooth and packed full of flavour.
