# Lakes Distillery Gin Miniatures 5cl

| | |
|---|---|
| **Price** | £5.49 |
| **Code** | THEO025 |

Juniper can be found across the fells in the Lake District, and The Lakes Distillery use this local juniper at the very heart of their gin. Using classic gin botanicals augmented with others native to the Lakes - including bilberry, heather and meadowsweet.

**Tasting Notes:**

Big, clear, fresh citrus notes. A complex and vibrant gin.
