Lakes Distillery Pink Grapefruit Gin

Price	£37.49
Code	THEO305

Gently distilled with the luxury of time for exceptional smoothness in a traditional copper pot still, whiskymaker Dhavall Gandhi has used only a select few of the finest botanicals and the purest water drawn from the Lake District National Park. By complementing the juniper-rich flavours with the zesty citrus vigour of pink grapefruit, he has created a flavour-packed gin with no added sugar or sweeteners, or need for garnish.

Tasting Notes:

Vibrant notes of juniper and coriander combine with the naturally sweet, uplifting citrus flavour of pink grapefruit
