Lakes Distillery Quatrefoil Collection Faith Blended Whisky

Price	£265.00
Code	THEO370

It takes courage to even contemplate tackling Striding Edge - arguably the most precarious, exposed, thrilling walk in the Lake District, if not the British Isles - and faith to conquer it. Faith is a complex single malt whisky, matured initially in American & Spanish oak casks seasoned with Bourbon and Oloroso. This was followed by a second maturation in PX hogsheads made up of American and Spanish oak.

Tasting Notes:

A whisky with comforting notes of vanilla, dried fruits and hints of cinnamon.
