Lamb's Navy Rum

Price	£20.99
Code	LAMB005

A Caribbean blend of eighteen rums from various islands including Trinidad and Guyana, Lamb's is a dark, tannic, traditional Navy rum.

Tasting Notes:

Dark, deep, reddy-brown colour indicating the use of caramel colouring. Pleasant nose of molasses and oak. The palate displays excellent depth, though a little lightweight in comparison to other Navy rums. Distinctive, powerful and lasting aftertaste with a hint of caramel.
