Tasting Notes:

Bright, salmon-pink in colour. The nose is precise and very crisp with a lasting impression of freshness, it has hints of soft red fruits, such as strawberries, redcurrants, raspberries and black cherries. Intensely fruity flavours begin clean and well-defined upon entry, the wine then opens up to provide a melange of flavours consisting of fresh strawberries, raspberries and wild cherries. It has great length and is rounded and supple on the finish.

Specification

Vinification	<p>This champagne is famous for its highly expressive bouquet, which stems from the very careful preservation of the grape's natural fresh red fruit aromas. It is one of the rare rosé champagnes to be made using the maceration (skin contact) technique, which gives it the extraordinary depth and freshness that has made it the benchmark for rosé champagne around the world. Revered by wine-lovers for its flavours and by aesthetes for the beauty of its 16th century-style bottle, the Laurent-Perrier Cuvée Rosé is one of the stars in the Laurent-Perrier range. Meticulous sorting of the grapes and controlled maceration help the extraction of colour and reveal the full aromatic richness of the pinot noir. Part of the winery in Laurent-Perrier has been specially designed to perfectly control the maceration phase. Unlike most rosé champagnes, the basis of the Laurent-Perrier Cuvée Rosé is obtained by drawing the juice from black grapes in the vat, not only blending red and white wines. It is cellared for at least four years.</p>
